APS CUWiP AT IOWA

Conference for Undergraduate Women in Physics

CUWiP brings together successful physicists at the professional, faculty, and undergraduate level to highlight the contributions of and career opportunities for women in physics.

Conference topics include:
- Crafting your graduate school application
- Applying for jobs in physics/STEM
- How to participate in NASA missions
- Presenting your research effectively

Join us on-campus at the University of Iowa
Jan. 20 – 22nd, 2023

APPLY TODAY!

APPLICATIONS DUE BY OCT. 3RD

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact the Department of Physics and Astronomy in advance at 319-335-1686.
